WellGuard™ Seasonal Immune Wellness

Homeopathic formulas are used successfully throughout the world.

WellGuard™ is a comprehensive homeopathic formula developed by Dr. Theresa Dale utilizing ancient healing principles. It contains 14 homeopathic ingredients.

WellGuard is a member of our SystemiCare® family of products that address multiple body systems. Since WellGuard strongly supports immunity using the traditional homeopathic system, your body's systems can utilize energy for other key functions.*

Natural Remedy

Homeopathy is Greek for similar condition. Minute doses of remedies are given that mimic the condition, which stimulate the body's defense mechanisms and create a natural line of immunity.*

With homeopathy, you only need small amounts of a formula to achieve maximum results. Higher doses reduce effectiveness, so take only enough to stimulate your body's natural defenses.*

Scientific Formulation

WellGuard was carefully developed to alleviate signs of imbalance. These ingredients interact naturally and effectively together:

Anas barbariae—used throughout Europe for various health benefits.

Influenzinum

Eupatorium perfoliatum & Bryonia

Alba—indicated for the bones, eyes, and gastric system.

Veratrum viride—remedy for immune wellness concerns.

Kreosotum—alleviates signs of imbalance.

Gelsemium—promotes tranquility and restful sleep.

Helix tosta, Phosphorus, Teucrium & Thuja Occidentalis—used to support respiratory health.

Arsenicum Iodatum—used for membrane congestion.

Hydrogen—used to focus the energy of the person.

Aconitum Napellus—used for vomiting, sweats, and to support the head, a constricted throat, and a healthy inflammatory response!*

Today's Wellness Revolution™ calls upon all of us to care for ourselves naturally and responsibly. Perhaps no other health component is as vital as immune function to the foundation of one's health. WellGuard reinforces that function throughout the season and beyond, stabilizing the body's immune needs. A strong immune function creates a well body. WellGuard achieves that and is an important part of our Wellness Revolution™. Make it an important part of *your* Wellness Revolution™.*

*Not all inflammation is associated with disease states. Inflammation is also the body's healthy immune response to life's normal stressors such as strenuous exercise or an occasional high-fat/high-calorie meal. The body's inflammation response to life's occasional, normal stressors is important for optimal health.
